About Your Maximum Benefit Policy

It's important **you** understand what **we** mean by a Maximum Benefit policy. With the different types of pet insurance **we** know this can be quite confusing, which is why **we** want to explain how **our** Maximum Benefit policy works. This policy doesn't guarantee that **we'll** be able to cover **your pet** for their entire life, but it does mean that, if **you** choose to renew, any ongoing claims will be covered each year.

Our Maximum Benefit policy is a 12-month annual contract, this means **your pet** will be covered up to a maximum **cover limit** for each new **condition**. If **you** do not use the full **cover limit** in a **policy year**, **you** can renew **your** policy to continue cover for any **condition** until that **cover limit** has been reached. Once **you** have reached the maximum benefit **cover limit you** cannot claim again for the same **accident** or **illness**, or anything related to **your** claim, in any future **policy year**. If **your** policy is cancelled or stops for any reason (including when a **premium** payment isn't made), **your pet's** cover will end, and no further claims will be paid.

Each section of cover has an overall limit to the amount **we'll** pay under that section, called the **cover limit**. Some sections also include **inner limits**, which form part of and is not an addition to, the overall **cover limit**. **We'll** pay for certain items within that sections overall **cover limit**. The overall **cover limit** and the **inner limits** for each section are shown in the 'Summary of Cover' table on page 3. More than one level of vet fee cover is available and the amount **you've** chosen will be shown in **your policy schedule**.

You may insure more than one **pet** with **us**. All **cover limits**, **inner limits**, **fixed excesses**, and **percentage excesses** apply per **pet** in each **policy year** apart from Third Party Liability cover. The **cover limit** for Third Party Liability is the total limit **you** can claim for all **pets** insured under this policy.

You will have to pay a **fixed excess** in each **policy year** for each separate **condition** before **we** can make any payment to **you** or **your vet**. If the claim continues into a new **policy year**, then **you'll** need to pay another **fixed excess**. **You** can find **your fixed excess** amounts on.

If **your** dog is aged 8 years or over, or **your** cat is 10 years or over, **you'll** need to pay a 15% **percentage excess** towards each claim in addition to **your fixed excess** amount(s).

We want **you** to get the most from **your** policy, to do this **you** should:

- Read **your policy wording** carefully to make sure that the cover **you've** chosen meets both **yours** and **your pet's** needs.
- Make sure **you** understand the conditions and exclusions which apply to **your** policy. If **you** don't meet these conditions, **your** claim may be rejected, or **your** claim payment reduced.

Things which aren't covered by **your** policy are stated in:

- 'What **we** don't cover' in each section of cover; and
- The 'General exclusions' section.

Throughout **your** policy, certain words have special meanings, and will be highlighted in bold throughout this document. These are listed and explained in the section '**Words We Use**'.

Changes To Your Cover

We rely and will base **your** policy on all information **you've** given **us**, about **you** and **your pet**, being accurate and correct.

It's important to let **us** know as soon as possible if **your** circumstances change (for example, if **you** move house) so **we** can make the change to **your pet's** policy to ensure **you're** accurately covered. If **you** don't let **us** know about any changes to **your** circumstances **your pet's** policy may no longer be valid and claims may not be paid. Some changes made to **your** policy may affect **your** policy **premium**.

You can upgrade or downgrade **your** cover at renewal by choosing a different vet fee limit.

If **you** choose to upgrade **your** vet fee limit, a new **waiting period** will apply from the date of the upgrade. Any claims for ongoing **conditions** will remain at the lower **cover limit**. The new vet fee limit will apply to any **conditions**, that first occur or show **symptoms**, after the new **waiting period** has finished.

If **you** choose to downgrade **your** vet fee limit, all claims for any new and ongoing **conditions** will be on the new lower **cover limits**.

We'll let **you** know in good time before **we** make any changes to the policy terms and conditions, **fixed excess**, **percentage excess**, or benefits so that **you** can decide if **your** policy is still right for **you**.

Renewing Your Cover

To make sure there's no gap in cover **we'll** automatically renew **your** policy unless **you** tell **us** not to, or **you** no longer meet **our** eligibility criteria. **We'll** send **you** a renewal invitation at least 21 days before **your** renewal date, which will include what **you** paid for **your** cover this year and **your** payment for the next year.

If **you** do not want **us** to automatically renew **your** policy, please contact **us** by email customerservice@insureyourpaws.co.uk or call **us** on 0344 273 2777.

We'll let **you** know if **we've** made any changes to the policy terms and conditions, **fixed excess**, **percentage excess** or benefits.

The annual **premium** can increase on a maximum benefit policy, especially when **your pet** gets older as they're more likely to become unwell, so the cost of providing **your** insurance increases.

It's important to let **us** know as soon as possible if **you** need to make a change to **your pet's** policy so **we** can make sure **you're** accurately covered. Please let **us** know, before **your** renewal date, if **you'd** like to renew **your** policy using a different payment method. **You** can also update **your** or **your pets'** details or amend **your** cover level.

If **we're** no longer able to offer **you** cover, **we'll** write to **you** at least 21 days before **your** next renewal date explaining why.

Cancelling Your Policy

If you wish to cancel your policy

Please tell **us** if **your** policy no longer meets **your** needs. All **our** policies offer a 14 day cooling off period. If **you** cancel **your** policy within 14 days of receiving **your** documents, and **you've** not made or intend to make a claim, **we'll** give **you** a full refund.

You can still cancel **your** policy any time after the 14 day cooling off period. As long as **you've** not made or intend to make a claim, **we'll** cancel **your** policy and;

- a. if **you** pay by monthly instalments: **we'll** stop **your** monthly payments once any outstanding **premiums** have been paid (if applicable); or
- b. if **you** paid for **your** policy in full: **we'll** give **you** a refund of any **premiums you've** paid minus the **premium** for the cover **you've** received and any admin fees (if applicable). **We** won't refund any **premium** if **you've** made or intend to make a claim, unless the claim was due to the death, loss, theft or straying of **your pet**.

If more than one **pet** is insured under **your** policy, the cancellation terms above will only apply to the cover, **premium** and claims relating to the **pet** whose cover is to be cancelled.

If we cancel your policy

We have the right to cancel **your** policy by giving **you** 21 days' notice in writing, in the event:

- **you** fail to take reasonable care to send **us** the information **we've** requested that is directly relevant to the cover provided under **your** policy or any claims;
- **you** fail to co-operate or provide information and assistance in relation to any claim, or in the administration or operation of **your** policy;
- **you** or **your pet** no longer qualify for this policy;
- **we** have grounds to suspect fraud;
- **you** use threatening, abusive or nuisance behaviour towards any member of **our** staff or contractors.

Where possible, **we'll** contact **you** to resolve the matter with **you**. Once **your** policy has been cancelled **your** cover will end and **you** won't be able to make any claims.

4. **We're** unable to pre-authorise any claims. **We'll** only ever ask for information that is necessary and relevant to process **your** claim. To make a claim **we** need:
 - a. the invoices from the **vet** practice or therapist which show what **you're** claiming for.

If **you** decide to take **your pet** to a different **vet** for a second opinion because **you're** unhappy with the diagnosis or **treatment** provided by **your** own **vet**, **you** must tell **us** in advance. If **you** fail to do so, the costs relating to the second opinion will not be covered by **us**.
